

# The Games Golfers Play

TANY Metro Region 2024 Annual Golf Outing @ Colonial Springs Golf Club

The **ORANGE BALL** will be played by 1 golfer on every hole. Each shot on the hole will be by that golfer.

1. The goal for every 4-Some is to finish the day with the Orange Ball.
2. Each golfer will use the Orange Ball in a rotational hole order throughout the day. (this shouldn't need additional explanation). If so, see above.
3. The golfer using the Orange Ball on a hole will hit all shots with the Orange Ball for that hole. See, understand!
4. The Orange Ball will then be passed to the next golfer. This will continue hopefully.
5. The GOAL is NOT TO LOSE THE ORANGE BALL.
6. At the end of your round, if you still have the Orange Ball, please hand it in with your score card. If you lose the ORANGE BALL, please mark the hole on your score card the ball was lost. **Everyone, Have a BALL!!!!**
